TOP CLUB FINAL (2021-2022) TORBAY v PLYMOUTH

MATCH REPORT

Match played at Mid Devon on Sunday 19th March 2022

What a shame the final of the Top Club was not attended by our members as it was a very good game between both teams.

Covid restricted any member wishing to view from the clubhouse as Mid Devon had officially closed, but thankfully they agreed to open just for the finals to go ahead.

I am grateful to Lynda and her management for the refreshments and hospitality on the day.

A good game was played by all concerned. However, I feel the best viewing was of the 2 wood singles where there was a great Torbay comeback. On the 14th end Plymouth had been 11-4 up, the final result being Torbay 22 - 11 Plymouth.

Well done to all who took part in this competition.

Torbay won overall by 3 disciplines to 2.
